MISSION STATEMENT

California Strong provides immediate financial assistance to individuals affected by major California disasters and other tragic events.

KEY STATISTICS ABOUT CALIFORNIA STRONG

- 2.3 million dollars raised to date
- 675 individual grants distributed to victims:
 - Woolsey/Hill Fire
 - Camp Fire
 - Borderline Shooting
 - Santa Cruz Boat Fire

Last year the celebrity softball game helped California Strong raise over 1 million dollars. This event provides the community with an opportunity to come together and celebrate all of the things that make this state so special. With the support of many actors, musicians and athletes, victims are reminded that they are not alone. Thanks to our partnership with Southeast Ventura County YMCA, donations to California Strong are 100% tax deductible, with 100% of the proceeds of this event going directly to those in need.
